

General Info.

IMPORTANT! We will no longer be able to accept credit card payments for tuition. House Bill 1881 allowed private schools to pass on the credit card fees to their customers as long as the school was accredited through agencies recognized by the Texas Private School Accreditation Commission. Since being accredited through NAEYC, we no longer hold the SAES accreditation, an agency that was recognized by TPSAC, so we can no longer pass the charges on to you, and it is too costly for us to absorb the fees. I apologize for any inconvenience this may cause those families who have chosen to use that form of payment. This goes into effect as of November 10, 2017.

Don't miss our annual 'Tis the Season holiday family event on Thursday, Nov. 16. This is our small way of celebrating the Holiday Season with our families. We will transform Kleberg Hall into a festive environment with crafts, games, and dessert. This is a time when you and your child can play, create, and experience the joy of being a child. Santa Claus will also make an appearance, so bring a camera.
