

## September's Head of School Hot Topics

### September 2017

We have completed two full weeks of school and the children seem to be settling in nicely. We still have a few tears here and there, but with such active parent and teacher communication, all seems to be going well, and we suspect they will settle in quickly. For those who have had their parent coffees, thank you for attending as this is just one more opportunity to connect with one another, answer your questions and meet other parents from your child's class.

As we do settle in for the school year, I just have a few reminders regarding some school wide policies:

- All prescription medication must be brought to the office and the medication must be in its original container with the prescription label.
- Over the counter medication must be brought to the office and the medication must be in its original container and labeled with your child's full name and the date the medicine is dropped off. Over the counter medication must also indicate the child's age and dosage is appropriate for the age of your child.
- Teething ointments, sunscreen and lotions can be left in your child's classroom with their full name written on it.

### Spirit Day at St. George's:

Starting **FRIDAY, October 6** all children and staff will wear their St. George's t-shirts. This is completely voluntary, but if you would like to join in the fun you can purchase a t-shirt from the Zazzle store or have your child wear green or purple. We will do this every Friday. ([www.zazzle.com/st\\_georges\\_atx](http://www.zazzle.com/st_georges_atx))

The Zazzle store will be updated with new products on Monday. And, if anyone has graphic design skills and would like to design a new logo we would love to chat with you.

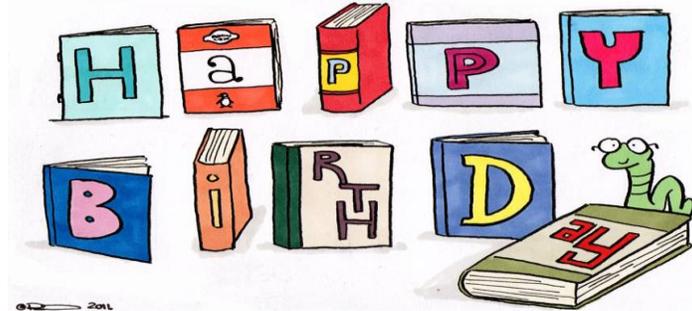

### A Look Ahead:
